

# BLACK DIAMOND WALL WASH

**DESCRIPTION**

The Black Diamond Wall Wash is available either without a lamp or with a G4 Rectangular Wafer and comes ready to install right out of the box with a frosted glass lens. Three lens options are available to achieve the desired effect. The frosted glass lens offers a 98° beam spread while the prism lens expands the horizontal beam spread to 114°. The solid brass construction features a baked enamel finish in black (BK) or bronze (BZ). The Black Diamond Wall Wash also features an 18 points of articulation of the knuckle for adjustment
