

BEACON DCB

DESCRIPTION

The Brilliance Beacon Double Contact Bayonet (DCB) is a subcompact LED that features Brilliance's omni-directional beam pattern. This DCB is energy efficient and water resistant. It is designed specifically for landscape retrofit applications and is ideal for pathway lighting fixtures, wall washing, and hanging fixtures. Dimmable with Brilliance Dimmer and most magnetic transformers. Suitable for damp locations and for use in totally enclosed luminaires. Not for underwater use.

BEACON DCB FEATURES

- Ceramic technology
- UL Certified E360351
