

# BEACON SCB

## DESCRIPTION

The Brilliance Beacon Single Contact Bayonet (SCB) is a subcompact LED that features Brilliance's omni-directional beam pattern. This SCB is energy efficient and water resistant. It is designed specifically for landscape retrofit applications and is ideal for pathway lighting fixtures and step lights. Dimmable with Brilliance Dimmer and most magnetic transformers. Suitable for damp locations and for use in totally enclosed luminaires. Not for underwater use.

## BEACON SCB FEATURES

- Ceramic technology
- UL Certified E360351
