COLOR MINI BEAMS

BRING LIGHT TO SMALL SPACES

Use the Brilliance Mini Beam to illuminate small spaces with precision and style. Delivering 90 lumens and featuring a durable IP68 rating, it's built to perform even in wet environments. The included Stake and Shield accessory adds versatility, making it easy to adapt to a variety of lighting designs.

Available in Red, Green, Blue, and Amber, this fixture offers flexible color options for any application. The Amber version is specially designed to be sea turtle safe, making it an ideal choice for coastal and environmentally sensitive areas.
